Report of the Trustees for the year ended 30 November 2019

The Trustees are pleased to present their annual Directors' Report together with the financial statements of the charity for the year ended 30 November 2019, which are also prepared to meet the requirements for a Directors' Report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015).

Chair's Report

The Chair is pleased to deliver this report and to make the following observations on behalf of the Trustees.

Firstly, we must thank all our Members, Associates, Pathfinder Students, Trustees and external supporters of the Charity for their continuing and unstinting work towards fulfilling the Charity's aims. This would be impossible without them.

In particular we thank Helen Peabody-Rolf and Hedley Pickstock, who retired as Trustees during the year, for their hard work and commitment in supporting the Charity's aims, and we welcome Philip Hagen and Christopher Singer who have joined the Board of Trustees.

Our sincere thanks should also be expressed to the:
Gloucestershire Police and Crime Commissioner
Gloucestershire Police
West Mercia Police and Crime Commissioner
West Mercia Police
Warwickshire Police
IAMRoadsmart and their local groups in Gloucestershire and York
Herefordshire and Worcestershire Fire and Rescue Service
Shropshire Fire and Rescue Service
Safer Roads Humber

for their continuing engagement and support.

Sadly, the number of KSIs reported across the country confirms the continuing need for the work of the Trust and reaffirms our ambition to make our projects available in all parts of the United Kingdom. We have recognised a potential threat arising from planned EU legislation on vehicle insurance, which maybe defeated by Brexit, as well as the ever more demanding challenge of finding suitable and affordable locations in which to carry out our work.

We will continue in the coming year to invest in extending awareness of what we do and raising our visibility across all sections of society. This has been considerably enhanced in 2019 with filming by both ITV and BBC TV, the latter of which is expected to achieve national coverage when due for broadcast early in 2020.

Our Purposes and Activities

The Charity's objectives and principal activities are restricted to the promotion of road safety for the benefit of the public and, in particular, young people. Funding comes from member subscriptions, donations, charitable gifts and grants.

Public Benefit

The Trustees have continued working with the community through the use of safer driving initiatives for young people. The Trustees confirm that they have complied with their duties under section 17(5) of the 2011 Charity Act with regard to public benefit.

Particular actions this year include:

- Provision of over 33 events by The Under 17 Car Club Limited to around 259 participating drivers;
- Provision of seven 'Pathfinder' Courses with students drawn primarily from Gloucestershire, Herefordshire, Shropshire, Worcestershire and Yorkshire with 190 students of whom 95% received a bursary from the PCCs or the Trust with around 10% receiving their place at no cost. Loan vehicles were made available to all participants to enhance learning and associate supporters were provided to several students;
- Provision of 10 Care Leaver places for young people supported by Telford & Wrekin Social Services who were provided with a full bursary by the Trust. The Trust also funded the total cost of providing each of those young people with a full time Volunteer Associate for the week. West Mercia PCC loaned ten cars for them.
- The funding model for Pathfinder has been renegotiated with West Mercia PCC to one based on reward for recruitment. This will enable Pathfinder to more easily pursue other sources of funding (including from other PCCs) on a per capita basis;
- Sustained and grown collaboration with IAMRoadsmart from which some shared activity has been undertaken to jointly further our individual and collective charitable objectives, including the expansion of our Pathfinder Programme in Yorkshire;
- Attendance at several public road safety events;
- The development of a bespoke, certificated Safeguarding Course which, following presentation to and initiation of the Trustees, is being rolled out to all of the Trust's volunteers who have direct contact with children;
- Driving Members raised over £7,500 for the Teenage Cancer Trust – their chosen charity, increasing the overall total to more than £86,700;
- The work of the Trust was further enhanced in 2019 through the extensive involvement of Hereford and Worcester Fire and Rescue Service, Shropshire Fire and Rescue Service and Safer Roads Humber.

Achievements and Performance

The Trust has continued to deliver pre-licence training events with 2,574 attendances (up by 128 on 2018) and 1,006 instruction sessions (up by 121 on 2018) at The Under 17 Car Club and 950 attendances at Pathfinder Events (up by 255 on 2018) and 2,090 instruction sessions delivered (almost double the number for 2018).

The investment in the Trust, Club and Pathfinder websites made the processes of registering and joining the Club much easier and the substantial increase in membership numbers is partly due to that change. The renewal process for 2019-20 eliminated all of the previous paper based administrative work and increased data security.

In preparing those financial statements, the management committee should follow best practice and:

- 2) The accounts do not accord with those records; or
