Report of the Trustees for the year ended 30 November 2021

The Trustees are pleased to present their annual Directors' Report together with the financial statements of the charity for the year ended 30 November 2021, which are also prepared to meet the requirements for a Directors' Report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Chair's Report

The Chair is pleased to deliver this report and to make the following observations on behalf of the Trustees.

Firstly, we thank all our Members, Associates, Volunteers, Pathfinder Students, Trustees and external supporters of the Charity for their continuing and unstinting work towards fulfilling the Charity's aims despite the challenges of Covid19 and enforced lockdowns and restrictions. Our work would be impossible without this willing and unselfish support.

Our sincere thanks should also be expressed to the:

Gloucestershire Police and Crime Commissioner
Gloucestershire Police
West Mercia Police and Crime Commissioner
West Mercia Police
Warwickshire Police
IAMRoadsmart and their local groups in Gloucestershire and York
Herefordshire and Worcestershire Fire and Rescue Service
Gloucestershire Fire and Rescue Service
Shropshire Fire and Rescue Service
Safer Roads Humber
for their continuing engagement and support.

Despite the Government's lockdown restrictions caused by the Covid19 pandemic, necessitating a number of our events for both the Under 17 Car Club and Pathfinder programmes to be cancelled or postponed, we were able to reschedule almost all of these to run in accordance with the relevant Statutory Instruments as each Instrument was published. Unfortunately, some of the exemptions in the Statutory Instruments for 2020 that had enabled us to resume operations were not replicated in 2021. This again required us to cancel or postpone scheduled events and to hold Trustee and Committee meetings virtually as well as to maintain supplies of PPE for our officials and volunteers. We continued to operate and enhance safe working practices for all attendees, which included the use of an automated, non-contact signing-in process.

To enable the Charity to continue its work, surplus funds have been transferred from its trading subsidiaries. As reported last year, the Club's Co-Founder and first Patron of the Charity – the late Barrie Williams, had kindly left the Charity a legacy in his will but that the will was being contested by one of the beneficiaries. We are pleased to confirm that legal proceedings have now concluded without cost to the Charity and the legacy has been received by us. The Trustees are considering an appropriate and specific use for these funds.

The challenge of finding suitable and affordable locations in which to run our events continues to be demanding due to further pressure from Covid restrictions, especially on military establishments.

As we move into a post-Covid environment, we will continue in the coming year to work within the pandemic restrictions and invest in extending awareness of what we do whilst raising our visibility to the general public.

Our Purposes and Activities

The Charity's objectives and principal activities are restricted to the promotion of road safety for the benefit of the public and, in particular, young people. Funding comes from member subscriptions, donations, charitable gifts and grants.

Public Benefit

The Trustees have continued working with the community through the use of safer driving initiatives for young people. The Trustees confirm that they have complied with their duties under section 17(5) of the 2011 Charity Act with regard to public benefit.

Particular actions this year include:

- Provision of 32 events by The Under 17 Car Club Limited to around 248 participating drivers, an improvement of 4 events and 22 members over 2020;
- Provision of seven 'Pathfinder' Courses with students drawn primarily from Gloucestershire, Herefordshire, Shropshire, Worcestershire and Yorkshire with 188 students of whom 95% received a bursary from the PCCs or the Trust with around 10% receiving their place at no cost. Loan vehicles were made available to participants to enhance learning and associate supporters were provided to several students;
- Provision of bursaries totalling £6,217.50 to students who would otherwise be unable to take advantage of the road safety education we provide;
- Provision of 35 places on skid pan courses and 10 places on First Responder First Aid courses subsidised by the Trust;
- Continued collaboration with IAMRoadsmart from which some shared activity has been undertaken to jointly further our individual and collective charitable objectives, including the expansion of our Pathfinder Programme to accommodate increasing numbers of students;
- Our planned attendance at several public road safety events was unable to take place due to Covid19 restrictions but we are confident of being able to resume these in 2022;
- This year we were able to hold our annual charity fundraising event for the Teenage Cancer Trust, the charity chosen by our Driving Members, and we donated over £8,500 to TCT in 2021, taking our overall total to more than £95,700;
- The work of the Trust was further enhanced in 2021 through the extensive involvement of Hereford and Worcester Fire and Rescue Service, Shropshire Fire and Rescue Service and Safer Roads Humber.

Achievements and Performance

Notwithstanding the disruption to planned events caused by national lockdown restrictions, the Trust has continued to deliver pre-licence training events with improvement in all areas - 2,592 attendances (up by 680 on 2020) and 593 instruction sessions (up by 413 on 2020) at The Under 17 Car Club and 940 attendances at Pathfinder Events (up by 165 on 2020) and 2,064 instruction sessions delivered (up by 363 on 2020).

In preparing those financial statements, the management committee should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
